

SKILLBUILDERS GROUP PROGRAMME

TALK WRITE 2 LEARN

For Ages PP/Yr 1, Yr 2/3, Yr 4/5

Does your child have wonderful ideas, but struggle to get their thoughts onto the page?

Designed and run by our Speech Therapists using the 'Talk for Writing' approach, children will learn the key skills to use spoken activities to develop writing skills which will support them in their narrative writing. This approach supports children to:

- explore the process of "Imitation - Innovation - Invention"
- orally recite and act out popular stories through listening and reading
- expand and develop oral language skills
- learn the necessary steps for sentence, paragraph and text construction
- develop stronger writing skills
