

SKILLBUILDERS GROUP PROGRAMME

TITAN BEETLES

For Ages 8 - 11

At Skillbuilders Therapy, our engaging group activities empower boys to cultivate friendship skills, boost self-confidence, and foster a positive self-image.

Through practice in conversation skills, exploration of non-verbal communication, and fun games designed to heighten social and self-awareness. Our experienced therapists create a supportive environment where boys learn to encourage each other.

Together, we build essential life skills that promote lasting connections and support the boys to enjoy being their own unique selves!
